# K. OF C. WAR FUND APPROACHES QUOTA

Subscriptions Within \$300,-000 of Mark Sci-Schwab Addresses Teams.

AID FROM NEW SOURCES

\$120,084 More Raised Downtown-\$50,000 Given by Wm. Rockefeller.

\$2,500,000 war fund for the Knights of Columbus, the Catholics in this city have almost reached their goal. In fact, all lines nat is necessary to fill the quota is a little more than \$300,000.

At the Down Town Committee's dally luncheon at the Banker's Club yesterday Charles M. Schwab was the guest of bonor. Following the announcement tha the collections of this committee for yesterday amounted to \$120,084, Mr. Schwab was called upon to speak. Dur-ing the course of his address he said:

"I want to express my great admiraare doing. It is my pride that I also am working, in a different way, for the pane cause. Making money is no longer the prime concern of American business. It is a question of service now and we all serving under the same banne rection and democracy. One should ort and spiritual solace for our young ecording to a story that has been ting around, Mr. Schwab's statement absolutely true. Ever since the war out, every society with any c inclinations has collected money e boye across the water and in camps He walked into the president's office without rapping, a boon granted only to dent's chair, and said that he wanted FUNDS ASKED TO AID

### Forgot \$2,000,000

"How much do you need?" said the bank president. about \$2,000.000," said Mr. Schwab, without turning a hair "Well," said the bank president, "you know you already have a loan of \$2,000," 000 on this bank."

"On, panaw!" said Mr. Schwab, slapping his knee, "I'd forgotten all about

A brand new-and almost straiting thing Pappened yesterday in connection with the collecting methods employed by the Catholic War Fund. A huge van almost like a circus truck, whirled about the posited on the sidewalk a curious crowd would start to gather. Then the two tuckmen would go into the dark re-cesses of the van and would come out a

second time with a white frame.

This was, without exception, the cue or murmurs of curiosity to pass through would sneak up and peer into the van. expecting, in all probability, to see a performer in white spangled tights waiting to do an act for their benefit. the truckmen would lift the huge ball up and deposit it on the specially con-structed frame and at this point, for the There one by one the onlookers would dig into their pockets or hand-bage and walk proudly up and drop an Mering through the slot, knowing that they were doing something really big for

ome new sources of revenue have been added to the aiready large number of private concerns which are helping the drive. Lessing's ten sods water buffets a the downtown district are going to devote 5 per cent of their gross sales on next Monday to the War Fund. The Schulte cigar stores/ 118 in all, have designated Monday as "Smoke Day" and a per cent of their gross sales will like-Columbus. In New York the Acker Mer rall & Condit stores are to have con-tribution boxes on their counters.

On Sunday night Patrick Kyne, the proprietor of Murray's, has some big things up his sleeve as a help for the things up his sieeve as a neith for war fund. He going to have an auction and a lot of special doings, the proceeds of which will all be given to the K. of C. It's a wonderful collection. An Indian blanket, a chaffing dish, some thing in bottles that comes from Bor-deaux and something else in bottles that comes from Milwaukee, and a bunch of other things which might well come der the head of miscellany. And the last thing that the press agent an-nounced was that Evelyn Nesbit and Tanguay were going to appear. is to say Evelyn Nesbit will do an act if she is in town and Eva Tan guay will do her "I don't care" stunt she isn't out of town. But no matter what, there'll be lots to do and see at Murray's Sunday night. The big doing have been slated for evening in the Roman Garden on Forty-

## Giving Big Reception.

Another concern that has taken up the fund cause is Bellas Hess & Co. To-night the employees of this company gram are holding an entertainment and re-killed. ception in St. Veronica's Hall, at the corner of Washington and Barrow streets. Several of B. S. Moss's best audeville stars are to perform, and in addition there will be a bunch of local the preceeds from this evening bring at least \$3,000 for the fund toward that end every one of the 1,500 employees is working diligently.

have the last of three parades which has given to aid in raising its ota for the war fund. George W. Plunkitt, former Senator, will be the grand marshal, and it has been estimated that there will be 5,000 in line The Hippodrome has loaned the parisi an elephant and some camels to be used in the parade. The Church of Our Saviour, at 183d street and Washington avenue, has been using motor buses with bands on top and filled with Boy Scouts When stops were made the boys and girls would go through the crowd collecting coins, while the band played a series of patriotic numbers. Lipsky Leo Lewis, Inomas Pitzpatrios, Edward Quinn, Irving Lowenstein, Benjayed a series of patriotic numbers. More than \$6,000 has been collected this

Nat Could Get Drinks in Dry Florida, but Never Really Wanted Any.

MOVIE FOLK WITNESSES

Mrs. Nat Swears Comedian Had No Latchkey and Never Rolled Home at 4 A. M.

Nat C. Goodwin certainly never did norming when he and Mrs. Nat were night be near the Mirror Film Comirritable in the morning or anything except just normal-just the way any ne would be, you know.

That is what Mrs. Goodwin, who Miss Margaret Moreland before her marriage to the comedian, told the jury esterday afternoon when the trial of an alleged breach of contract was resumed before Justice Greenbaum and a ucy in the Supreme Court.

degree spiffed when he came home nights, because he didn't have a latch key and she always watted up and let him in the front door herself.
"Always?" asked James W. Osborne,
counsel for the Mirror company.

"Tes, always!" said Mrs. Goodwin, using heavy English on her last word. And that line of questioning was abruptly dropped.

Mrs. Goodwin also entered a genera denial of the testimony of James Cryan, her husband's former valet, to the effect that vinegar baths had been adminis that he had been "rude and impertment to her. She said she once asked him t answer the door bell and telephone of

# Sunday afternoon, but that he refused because "he was strictly union labor."

Comedian Drope His Drawl. Mr. Goodwin also took the stand yes een wearing since the trial commenced clean white waistcoat slips and a modest little diamond horseshoe pin tucked into his black Ascot tie. His drawl, too, had vanished and he gave sharp, incisive the attorneys.

Asked if it were really true that Mr because he was delaying the picture by reason of his habits, Mr. Goodwin said that no such conversation had ever

Queen Marie Antoinette was the first interest Mr. Schwab in the Mirror comintimately, and even if I did I couldn't consider so absurd a proposal. I never told him at any time or place that I than that.

> Mr. Goodwin told the jury that he was not drunk at the studio or anywhere else and that he did not drink intoxi-cating liquors of any kind during busiress hours. The story that he sent out for large sized Bronx cocktails while at work was quite absurd, he declared.

Just Wouldn't Drink in Florids. I wanted it. I just didn't want it."

And then the real truth about the

And then the real truth about the vinegar baths came out. Turning to the jury Mr. Goodwin said:

"Gentiemen, some five years ago I met with a very serious accident at my country place in California. I was thrown out of a boat onto the hard sand and—"

Mr. Osborne sought to interiest him.

win, that's enough. Just tell us what these baths are like," directed the court Mr. Goodwin said he had gone to Bad Nauheim, Germany, and had taken the Charles Bird, baths there with benefit, and a pre-stock & Gest; scription had been given him by the physician in charge which called for baths in water of the temperature of 100 went away to join the colors last July. Yesterday 5,000 persons passed slowly about his body in his home, 59 East 115th street, paying tribute reserved for mixture causal effectiveness and analysis and a half of vinegar and two pounds of social bicarbonate had been added. The mixture causal effectiveness and analysis and a half of vinegar and two pounds of social bicarbonate had been added. The mixture causal effectiveness and analysis and a half of vinegar and two pounds of social bicarbonate had been added. The mixture caused effervescence and soothe one's racking nerves, Mr. Goodwin told the jury. That, he said, was all there

was to it. In no circumstances, said the come dian, did be ever take vinegar baths at 4 A. M., nor was, he in the habit of getting home at that hour. He also denied that he ever told his valet he had to craw! in on his hands at "Margy" would not see him.

## "Cannibal King" Alds Goodwin.

Many movie folk were called to the stand to testify to Mr. Goodwin's sobriety and to offset the claim made by the

"The proper place for this play would be a stable instead of the stage, committing the dialogue to learned veterinarians. A gratuitous insult to millione of our citizens. The long drawn out talks of the characters and The heroine repeatedly and tiresomely states over and over again," &c. These affd kindred thoughts in Magistrate McAdoo's critique make one believe that Mr. McAdoo hasn't the slightest intention of setting himself ark a couple of dollars for a front scat

Also the press agent for the troupe up to a late hour last night hadn't found a single line in the Chief Magistrate's review of the show which could be lifted out and reprinted on the ash barrel one sheet lithographs in case "The Madonna" blow from behind, and that the murderer of the Future' is sent on the road. It had then knelt upon her chest and choked her to death. With this conclusive eviman & Vorhaus, who represent the show folks, that the play will even be sent along the subway circuit—Brooklyn, upper Broadway and Harlem-as had been planned.

It will be remembered that while the show recently was being performed by Miss Emily Stevens, Jerome Patrick and ther actors of excellence at Theatre here in Manhattan a eleuth from Police Headquarters def-initely located the theatre and sat "I am not yet prepared to make any initely located the theatre and sal statement, but my client has asked me through all three acts. Then following to ask the public to suspend judgment a feverish night the sleuth told what he initely located the theatre and sat through all three acts. Then following intil she has had her day in court. She had seen and heard to representatives of colors that she is not guilty of this the District Attorney's office, and the preminaries of an effort to put the rollers te show moved right into Iylan's own fair Brooklyn last Monday ight and has been in Brooklyn through-ut the last week.

Next Monday is was scheduled to open at the Standard, in upper Manhattan, and from there it was going to try to break into The Bronx. Yesterday, how ever, the lawyers and every one eise had come to the conclusion that to-night in Brooklyn the curtain will finally be rung lown on the entire mess of Art.

sent yesterday to ex-Judge Moses H. tained by George Broadhurst, the owner of the theatre in which the play was betaken to stop it. Although the play was scheduled to go on again last night in Brooklyn the Chief Magistrate did not indicate in his decision what steps, if any, would be taken to interfere with performances still booked for the greater

Reich was 25 years old still lived with Karger, his brother-in-law.

Neither Karger for Miss Annette McDougal home, and upon which stains appeared, was submitted to chemists sense in which that word is used in the Brooklyn, a brother-per of the firm, could give any reason for the tragedy more than paint. A poker and wrench when questioned by Detective Michael Corevan of the First branch bureau.

The law compelled to the conclusion that it is compelled to the conclusion that it is appeared, was submitted to chemists sense in which that word is used in the statute. The whole theme, with the long dive any reason for the tragedy more than paint. A poker and wrench which were also found in the cellar of the advantage of maternity without marriage and that father-hood is a matter.

The law of the last Fifty-seventh compelled to the conclusion that it is compelled to the

highest ideal of maternity is that of the cow, which might suggest that the proper place for this play would be a stable in stead of the stage, committing the dialogue to learned veterinarians. "The title of the play taken in connecion with the theme or motif, and which a interwoven in the conversations on se stage, is clearly a reference to the Virgin Birth. This is a gratuitous insulto millions of our citizens to whom such things are sacred beyond expression. It might be asked whether or not this does of indecency.

## Must Consider Only the Law.

"My duty as a Magistrate, of course is simply to construe the law in its let-ter and spirit, and therefore I am not called upon to examine the defence suggested by some who witnessed the play that the immorality of its teachings is innectious because of its intolerable stupidity and the wearisome platitudinal relierations of incipid lascivlousness.

"The police inform me that the play its first open and the only line of action lies through constraints." is still being chacted in one of the the-atres of the city and that it is the matres of the city and that it is the in-tention to put it on the road and have it travel through the country. If they in-the commission Frank M is travel through the country. If they in-sist upon my entertaining a formal com-plaint it will, under the circumstances, Markets Jonnthon (\* 1925) a be my duty to receive the same, and of Commissioner of A which I will advise you later."
